MATERIALS	PREP	GGC HEART BADGES
Paper, Writing utensil, Internet access	N/A	Health, Arts, General

COVID-19 REMIX

INTRODUCE

EXPLAIN: The COVID-19 virus has gotten some people feeling scared, frustrated, anxious, and bored. Some people might feel happy, or relieved, though, because they don't have to go to work or school.

DISCUSS: How does the COVID-19 virus make you feel?

EXPLAIN: Today, we're going to repurpose some songs to help people remember some important guidelines of the virus and to just let off some steam.

EXPLORE

ASK: What are some steps you should take to combat corona?

- Stay 6+ feet away from people not in your household.
- Wash your hands often.
- Avoid touching your face.
- Avoid unnecessary trips outside of your house (exercise is ok!).
- Cough into a tissue or an elbow.
- Stay active.
- (There probably are more that we haven't mentioned.)

EXPLAIN: People all over are adapting songs to fit the coronavirus. And we're going to do that too.

INSTRUCT:

1. Listen to these COVID-19-adapted songs: https://www.youtube.com/playlist?list=PLcIMljB4OXnQi5jgwC_Z2tIEkRgZ18Okp
2. Think of some of your favorite songs you might want to use.
3. Review the lyrics of your songs and listen to the music a few times.

4. Try your hand at rewriting the song to be COVID-specific.
5. Share your song!

CONNECT

DISCUSS: What other fun things can we do to remind others to combat COVID-19 from the safety of our homes?

Global Game Changers Student Empowerment Program is an innovative evidence-based curriculum that uses service-learning to develop the whole child by building core social-emotional competencies, character, and leadership skills in elementary students. Using our Superpower Equation: MY TALENT+MY HEART=MY SUPERPOWER!®, they learn to IGNITE GOOD!® and be successful and engaged citizens. GGC's program is privately funded and available at no cost to educators and parents through our online Educator Portal.
