## THE GGC MISSION

Global Game Changers Student Empowerment Program's is privately funded and **FREE** to parents and educators nationwide. It is an evidence-based curriculum that uses service-learning as a vehicle to build students' SEL competence and promote deeper learning experiences that help students Pre-K-5<sup>th</sup> grade discover their unique superpowers to **IGNITE GOOD!**<sup>®</sup> and make the world a better place using the **GGC Equation: MY TALENT + MY HEART = MY SUPERPOWER!**<sup>®</sup>

Celebrating Real-Life Heroes

## GGC Special Project Highlight:

**THE 9/11 LESSON: Celebrating Real Life Superheroes!** is an educational experience that engages students in an online platform to give them in-depth exploration of 9/11. Children understand how they can honor the heroes of 9/11 by responding to the hardships of today through self-directed service. To learn more about this special project, visit [911lesson.org](http://911lesson.org).
